Attention: Office of Petitions

Sir:

The above-identified application has an incorrect filing date due to an incorrect entry by the U.S. Postal Service. An Express mail envelope (number EV 415640363 US) containing the application was accepted by a U.S. Post Office Courier on October 20, 2003 before the last scheduled pick up time, at the offices of Hahn Loeser and Parks (HLP), in Akron, Ohio. However, the U.S. Postal Service failed to enter the package into its processing system, until it reached the USPS's facility in Dulles, Virginia on October 21, 2003. Once the packages reached Dulles, Virginia the next day, the express mail label was completed and the packages were sent to the USPTO. The USPTO used the Express Mail label to determine the filing date for the application to be October 21, 2003. This is incorrect. The USPS properly accepted the Application on October 20, 2003. The USPS failed to enter the correct date upon which the package was accepted.

Ann Cooper, Manager of the Express Mail Division at Akron, Ohio's Main Postal Facility, initiated an investigation at our request. USPS officials, along with HLP

employees, were able to conclude the packages were mailed on October 20, 2003 or earlier, because the U.S. Postal Service Courier receives Packages from Offices of HLP once daily at 15:45. However the packages arrived in Dulles, Va via the U.S. Postal Service at 15:11 on October 21, 2003. The statement below out lines what USPS officials and HLP attorneys believe lead to the incorrect filing date being entered on this package. We respectfully request Application 10/690,459 be accord the correct filing date of October 20, 2003.

APPLICANT HEREBY PETITIONS TO CORRECT THE INCORRECTLY ENTERED FILING DATE.

1. Statement

A. Express Mail Package number EV 415640363 addressed to the Commissioner For Patents, PO Box 1450, Alexandria, Va 22313-1450 was accepted by a U.S. Postal Service Courier from the offices of Hahn, Loeser and Parks (HLP), Akron, Oh 44313 as evidence by the U.S. Postal Service's courier billing statement to HLP for the month of October 2003. See USPS Courier Billing Statement Attached.

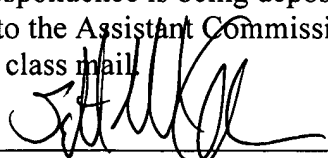

B. The U.S. Postal Service Courier agreement with Hahn, Loeser and Parks states that Express Mail Packages will be picked up once daily at 15:45 hours or later. See Attached Declaration from USPS Express Mail Manager, Ann Cooper.

C. Although the package was picked up from our offices by U.S. Post Service Courier in Akron, Oh the packages were not entered into the U.S. Postal Service Express Mail tracking system until they arrived "Enroute" in Dulles, Va on October 21, 2003 at 15:11 hours, as evidenced by the U.S. Postal Service's on

CERTIFICATION UNDER 37 C.F.R. § 1.8(a)

I hereby certify that, on the date shown below, this correspondence is being deposited with the United States Postal Service in an envelope addressed to the Assistant Commissioner of Patents, Washington D.C. 20231 with sufficient postage as first class mail.

internal "Track/Confirm-Intranet Item Inquiry-Domestic" product tracking system. See Attached "Track/Confirm" document.

D. The U.S. Postal Service agent processing the packages in Dulles, Va entered the mailing date of October 21, 2003 as evidenced by the original Express Mail label which lists the Origin Zip code as 20102 (Dulles, Va). However, the billing information indicates the package was picked up by USPS courier in Akron, Oh 44313. See Attached Copy of Express Mail Label and Attached Declaration.

E. USPS officials noted that when the Dulles, Va USPS mail expediter noticed that the acceptance scan was not completed in Akron, Oh, they performed the acceptance scan at the Dulles location. This was done to ensure the Express Mail piece with HLP's corporate account number on it was properly billed. This is the most likely reason the package was labeled as being shipped from Dulles, Va on October 21, 2003 rather than from Akron, OH on October 20, 2003.

F. The U.S. Postal Service's internal records, indicate the package arrived on time at the pick-up-point on October 21, 2003 in Alexandria, Va 22313 at 21:36 hours. Completing the requirement for "Next Day" Service. See Attached "Track/Confirm" document.

G. The previously listed package was deposited by HLP with the U.S. Postal Service Courier on October 20, 2003 or at some date prior to October 21, 2003. This is evidenced by the fact that HLP's courier agreement states that the courier will receive packages from HLP, once daily at 15:45 hours or later. The packages arrived in Dulles, Va via the U.S. Postal Service at 15:11 on October 21, 2003. Therefore, it would have been impossible for HLP have express mailed this package via U.S. Postal Service courier on October 21, 2003.

2. Petition Fee

Enclosed is a check for the Petitions to the Commissioner fee \$130.00 (37 C.F.R. §1.17(h)).

DECLARATION OF ANN COOPER

I, Ann Cooper, hereby declare as follows:

Commissioner of Patents:

The U.S. Postal Service has reviewed the mailing dates of next-day, express mail packages EV 415640350 US, EV 415640363 US, and EV 415640377 US and have concluded the following:

1. Hahn, Loeser and Parks (HLP) has a contractual agreement with the USPS which states that packages from HLP's Akron, Oh office will be accepted once daily at 15:45 hours or later.
2. Next Day Express Mail Packages EV 415640350 US / EV 415640363 US / EV 415640377 US were received by U.S. Postal Service Courier from HLP, in Akron, Oh as evidenced by the U.S. Postal Service's Courier Billing statement to HLP for the month of October 2003.
3. The packages were not entered into the U.S. Postal Service's Tracking System until they arrived in Dulles, Va on October 21, 2003 at 15:11 hours.
5. When the Dulles, Va USPS mail expeditor notice that the acceptance scan was not completed in Akron, OH, they performed the acceptance scan at the Dulles location. This was done to ensure the Express Mail piece with HLP's corporate account number on it was properly billed. This is the most likely reason the package were labeled as being shipped from Dulles, Va on October 21, 2003 rather than Akron, Oh on October 20, 2003.
4. The correct mailing date was October 20, 2003 from Akron, Oh. This evidence by the fact that the USPS courier in Akron, Oh receives next-day express mail packages from HLP 15:45 hours or later, yet these packages arrived in Dulles at 15:11 hours on October 21, 2003.
6. Please accept this certification that the correct mailing date for next-day express mail packages EV 415640350 US / EV 415640363 US / EV 415640377 US was October 20, 2003
